

To whom it may concern,

Sinclair Broadcast Group is now instructing their 62 local stations, many in battleground states, to preempt regular programming to air a Kerry smear piece two weeks before the election. This unprecedented move would be direct electioneering by a corporate media giant -- and against federal election law.

I believe the showing of the movie "Stolen Honor" is a partisan abuse of Sinclair's position as a broadcaster on public airwaves. Its timing is calculated to try to affect the outcome of the presidential election and is part of a pattern of partisan activity on Sinclair's part.

I oppose the re-issue of a broadcast license.

Sincerely,
Robert T. Jameosn
